LIABILITY RELEASE FORM

IT IS HEREBY AGREED TO AS FOLLOWS:

That I, the undersigned, do for myself or on the behalf of my child or legal ward, hereby voluntarily request to participate in riding instruction at Gateway Stables, Inc., and that the student will ride horses provided by this stable or their own horses for instructional purposes.

That the rider understand that horses are unpredictable by nature and that while our horses are well-trained and chosen for their calm, patient temperaments, horses are living creatures that have a mind of their own. Falls, kicks, or stepped on feet are possible when working with horses. I understand and voluntarily assume these risks and dangers.

That the rider understand that occurrences or elements of nature can scare a horse including, but not limited to thunder, lightning, wind, wild and domestic animals, insects and irregular footing which is subject to change due to weather and temperature. I understand that if a horse is startled or provoked, it may act upon its natural instinct, regardless of training, and may act in a dangerous manner by bucking, rearing, changing speed or direction, or running from what it perceives is dangerous.

Riders will be instructed in safety around and while on horseback and every effort will be made to conduct all riding activities in the safest manner possible. **Riding hats must be worn while riding. Riders must wear long pants and sturdy shoes with a heel. General safety principles will be explained and must be observed at all times.**
